

## Police Checks

In 2007, the Director established the National Police Check process. All employees and nominated volunteers within Tasmanian Catholic Schools, who have direct contact with, access to records of, or authority over children and young people under the age of 18 years, or other vulnerable groups including the disabled and the elderly are subject to a Police Check.

The Police Checks are valid for three years (maximum) and must be renewed after three years if employment or volunteering is ongoing, at the cost of the school.

Steps are taken to protect the privacy and rights of individuals at all times.

Application forms can be obtained from the TCEO, any Tasmanian Catholic School or downloadable here on our website, and must be returned to the school office for submitting to Tasmania Police.
