Dear Parents,

What a great celebration we had today! It was great recognition for our BER Team that worked with great enthusiasm to ensure your children have outstanding facilities to learn in each day. We had a number of special guest – Archbishop Adrian Doyle, Dr Trish Hindmarsh, Director of Catholic Education, the Honourable Julie Collins, Member for Franklin and a number of Sisters of St Joseph. I would like to thank the staff that assisted with the planning of the event and our Grade 6 students that had numerous jobs on the day and it was great to see them interacting with the guests and leading tours around the school.

Hopefully families saw the article in the Sunday Tasmanian (where it looked like I was impersonating a penguin). A positive story that really highlights the outstanding learning environments we have been able to achieve with the generous funding from the Federal Government.

Welcome
This week we welcomed Keira Akowuei and her family to our school community. Keira has recently arrived from New South Wales and is in our 1/2 Team. Keira has spent time in the Valley with her grandparents where she had already met a few of our students and families.

Parent/Teacher Interviews
I hope families enjoyed the opportunity to meet with teachers last week to discuss how the children are ‘travelling’. If you were unable attend, please contact the class teacher through the diary system to make a convenient time to hold a meeting. We are hoping to meet with all families before the Easter break. A massive thanks to the teaching staff that had an extremely busy week – up to 20 interviews after a full days teaching!

ANZAC Day celebrations
Mr Dwyer is asking for the names of students that can attend the ANZAC Services around the Valley. It is a great tradition of the school to participate in these services and I would encourage as many families as possible to attend.

Winter Uniform
The students are required to be in their full Winter uniform after the Easter break. Our new Sunsmart policy also states that we do not have to wear hats after Easter as it is important for the children to get a bit of Vitamin D before the long Winter months.
Cyber Safety
Last week our new Cyber Safety agreement went home for families to discuss and then sign. I hope this initiated some healthy conversations at home. Last Tuesday afternoon our Grade 3-6 students attended a performance from a drama company that highlighted the importance of the children being safe online. It looked at cyber bullying, facebook, texting and numerous other relevant issues.

Don’t forget we are holding our Cyber Safety night on Monday 18th April commencing at 7.00pm. We are providing child care for students, so parents have every opportunity to attend. Please contact the office if you are attending. We need final numbers by this Thursday.

Board Meeting
There is a School Board meeting this Thursday evening at 6.30pm in the Josephite Learning Centre.
