Dear Parents,

Yesterday we gathered with the Primary students from St James College to celebrate the Feast of Mary MacKillop. It was a great celebration with the students participating fully in the Mass. Fr Greg spoke about the importance of the Josephite Charism and how we must strive to stay faithful to their motto of ‘never see a need without doing something about it’. After the Mass our students worked collaboratively with our friends from Cygnet on a range of activities around the school.

In the spirit of our founders, the Sisters of St Joseph we are currently planning a fundraising event to support our friends in Cambodia. Over the last three years the school has assisted in fundraising efforts to support an orphanage in a remote and impoverished part of Cambodia. This year we are continuing our support of the area by having a major fundraising effort in third term that will assist an extended family of thirty that are living on 50 cents a day. We hope to raise $3000 to set the family up on a farm, which will assist the whole community. In 2008 our walkathon for the orphanage raised a staggering $8000. Unbelievable generosity by our small but caring community! We are planning a fundraiser that will be challenging for the students but also heaps of fun.

Cross Country Event
Unfortunately we had to cancel the Cross Country event planned for today due to the weather conditions and the state of the track. We have rescheduled the event for next Tuesday 16th August.

Congratulations!
Congratulations to William Donato, Jackson Gordon and Lochie Griggs for being selected in the Huon/Channel Football representative team. Great achievement by the boys!

School Carpark
Thank you to those parents that have been diligently following our school rules regarding our school carpark. It has been reported to me that a small minority of parents/carers aren’t following the 10km speed limit coming up the school driveway into the carpark area. The limit is set so we can ensure all members of our community are safe, particularly the children. Please ensure the speed limit is adhered to at all times.

P&F Movie Night
Thank you to those families that have returned the slips informing the P&F about the numbers for Friday afternoon. The children will be fully supervised by staff after school until the Movie session begins, including a BBQ and other snacks for the children. The children are able to wear their sports uniform to school on Friday for the activities.

Book Fair
Thank you to those families that supported our Book Fair last week. It was great to see large numbers of families in the resource room excited about the books and other goodies. Thank you to Mrs Cathie Stockford for coordinating the fair and to Miss ElliceDireen and Miss Emily Direen for looking after the fair each morning and afternoon. Through the sales at the book fair the school is able to purchase a significant number of resources (about 30% of the total sold).

Shopper Dockets
The office staff are currently running two shopper docket campaigns. Both the Coles and Worthworths competitions are easy ways for the school to be able to purchase sports equipment and other resources. There is a box on the office counter for both shopper docketstobe placed in. Along with McCains barcodes. Please write your name and contact details on the back of the docketks, as the P&F will pick a winner out of each box for a prize.

Budget Fun Run
Great to see that we had a team enter the Fun Run on the weekend. Thanks to Miss Keenan for organising this activity for the children. Apparently we won our age division.

Census Night – 9th August
A reminder that the Census of Population and Housing is taking place tonight. Census data is a critical tool used by the Federal Government to determine the distribution of approximately 45 billion dollars of funding to states and territories annually. Funding to the Catholic Education System (which is then distributed to SHCS) is dependent on the accuracy of this data. I would encourage all families to complete this important survey.

Have a great week

Stuart Kelly
Principal
Please remember that the school is still collecting the McCains barcodes until 30th September 2011, along with the Earn and Learn Points from Woolworths until 18th September 2011. The collection boxes are located in the school office. Your support so far has been fantastic.

Please remember to place your name and number on the Woolworths dockets as P&F will pick out a winner at the very end of the program.

We have now registered for Coles Sports for Schools so please bring in your tokens so we are able to receive sports equipment for our school. Place your name on ONE of the tokens, as we will be holding a draw for this program at the end too.

Budget Fun Run.

Despite the cold and wet conditions on Sunday, students from Grades 1-6 eagerly participated in the Budget Fun Run to raise money for the Pediatric ward at the Royal Hobart Hospital. The students competed in the 2.5km primary school teams event. All the students tried their best, with Kam Baldwin getting so excited he continued to do another lap of the course, completing the 5km event. Congratulations to all the students who competed and thank you to all the parents for coming and showing their support. We hope to have an even bigger team next year, it is an easy course and lots of fun.

Competitors: Miss Turnock, Courtney Walker, Nathan McQueen, Will Donato, Lukas Ford, Miss Keenan, Charli-May Coates, Hailee Baldwin, Natasha Dolaghan, Cooper Coulson, Jack McQueen, Kam Baldwin, Jordan Walker, Ethan Lovell and Milo Burgess (not pictured).
