Chris and Maria sincerely thank Principals and Teachers who have given their time to be here this evening. We present this event for the total enjoyment of the children and your attendance certainly contributes to making this a special occasion for them and also for us.

Thank you for a most enjoyable term, we have been thrilled with the response from the staff and in particular the children. Have a wonderful holiday break, we all thoroughly deserve it. See you in our final week for lots of fun to complete the terms work.
