

Primary Learning Team 2012

Dear Parents and students,

We hope you have all enjoyed your summer holidays and are looking forward to joining us in the Primary Learning Team (Grades 3 – 6). Please label all items before your child brings them to school on the first day.

All grey writing pencils should be named, one should go into your pencil case and the others should put together with a rubber band and placed in a large named zip lock bag. All other small stationery items, such as coloured pencils, rubbers, sharpeners, USB sticks should be individually named. One of each of these should go into your pencil case and all other spare items should be placed in the large zip lock bag, which we will collect and look after until you need them.

You may cover your exercise books in any way you like but please make sure names are on the front cover and easy to read. Please do not put subject labels on your books. Your teachers will do this at school.

Your document wallets should be labelled:

- English
- Maths

Enjoy the last few days of your holidays. Looking forward to seeing you all soon.

Yours sincerely,

Mrs Doherty
Mrs Campagna
Miss Hinchin
