Dear Prep Parents and Children

There are a few of things you need to remember to bring with you on your first day back at school.

1. Your books - cover these and put a label on them with your name if you like but we will label them with their subjects at school together.

2. Your stationery, including textas, lead and coloured pencils, whiteboard markers, crayons and glue stick - don’t bother putting your name on these as we will use them as class sets and share them, to make sure they don’t get lost.

3. Your Sacred Heart diary satchel - we will use this to put your diary in and any notes or work to go home.

4. Your lunch box, with recess and lunch, and a drink bottle full of water.

5. Your smiles and lots of energy!!

Well that will do for now until we return to school on Wednesday the 6th of February. Have a very Merry Christmas and see you soon.
