Grade 3 Poetry

The Grade Threes have been writing lots of fantastic poems. They have been learning about how adjectives, adverbs and similes can make their poems more interesting. Here are just examples of the wonderful creativity from the Grade Three classroom.

Brown
By Ava Swanson

Brown sounds like a grasshopper in long grass
Brown smells like a dead tree lying on the forest ground
Brown tastes like yummy chocolate muffin at a bakery
Brown feels like a soft cuddly warm kitten by the fireplace

Green
By Ethan Lovell

Green sound like a growling toad on a dark night
Green tastes like a delicious lolly pop at a little bit of heaven in Kingston
Green smells like a fresh gum tree at a gorilla infested zoo
Green feels like a smooth leaf on a tall tree

Blue
By Darcy Blazely

Blue sounds like the sea on a wild storm
Blue smells like a blueberry pie on the windowsill
Blue tastes like a blueberry muffin just out of the oven
Blue feels like a soft blue bird in a warm nest

Friends
By Ellie Fraser-Marriott

Friends are like the light of our world
Friends are warm like the sun
Sometimes they can be as dark as the sky night
Most of the time they are the light of our world

Yellow
By Georgia Golding

Yellow sounds like a mashed banana ready for a cake
Yellow smells like a rose in the garden after a rainy day
Yellow tastes like a sour lemonade on a hot day
Yellow feels like the warmth of a sunset in the evening
Last Thursday morning our school community gathered in the hall for our Beginning of Year Mass. This is a time for us all to think about and make commitments for the year ahead.

The Grade 6 school leaders and the Junior Joeys had their badges blessed by Father Greg before being presented by Mr Kelly.

**News from the Kinder classroom.**

On Tuesday, 21st February, Fredo the frog came to visit our classroom. We patiently waited for our turn to have a close look at him. Rebecca (Olivia’s mum) answered our questions about Fredo. Some of us had a go at drawing Fredo and his home.

Here we are cleaning the fish tank and filling it with water getting it ready for when the fish arrive. We had to wait a week before getting the fish in so the good bacteria would grow and the fish will have a nice home to live in.

On Shrove Tuesday we made pancakes.

Mr Kelly came by for a visit whilst we were waiting for the pancakes to cook.

On Ash Wednesday we practised putting the cross on each other, just like Father Greg would do in Mass.
