Dear Parents,

I hope all the Dads had a great day on Sunday. Thank you to the P&F for organising the event at school last Friday afternoon. It was a huge amount of fun and I am sure all the Dads had a ball. It is not every day you get the chance to be completely wrapped in toilet paper and sort hundreds and thousands!!! I hope the Dads also enjoyed their homemade gifts and purchases from the Father’s Day Stall.

I enjoyed the day with my family and loved watching the Southern Storm win the U/13 Footy final. Great to see some of our ex-students participating and enjoying themselves. This Friday our Grade 5/6 boys and girls are playing St Brigid’s, New Norfolk in games of football and netball.

Geeveston Spring Festival
The Geeveston Spring Festival is happening this Saturday in the township. Our Grade 6 students are making and selling badges as a fundraiser for the Tour of Tassie. We have had a beautiful start to Spring with the students very excited about finally getting on the oval during the last two days.

Crazy Day
Tomorrow our Grade 5/6 Team have organised our annual Crazy Day event to raise money for the upcoming Grade 6 Tour of Tassie. I would encourage families to support this student initiative. Students need some spare change to participate in a range of activities. The children can come to school dressed in a CRAZY outfit!

Wind in the Willows
Today the cast of the local performance Wind in the Willows visited SHCS to showcase their skills. The performance is running locally during the school holidays and it would make an excellent outing for families.

Turning Circle
Those parents that have been at school lately would have seen the great work that is happening in the Bus Turning Circle. The project is close to completion but has been delayed because of the wet weather conditions. Thank you to all parents for their patience when using the top car park the last month. We are currently working with our architects to finalise plans to start our next minor projects.

Technology
I have personally dealt with a range of issues with students the last few weeks regarding the inappropriate use of technologies. I would encourage all parents to be proactive in knowing what your children are doing online and that where possible computers or mobile devices should be in a communal area. If you ever need any assistance or advice, please contact me anytime.

Book Day
We had a fabulous day last Wednesday dressing up as our favourite book characters. Thank you to all children that participated and to the parents that assisted.

I hope all families have a safe and enjoyable holiday. Term two has been a busy one! I am looking forward to term three and the range of activities we already have planned – DANCEFEVER, Learn to Swim, Tour of Tassie, Grade 5 Camp, Athletics Carnival, School Fair, Huon Show, Pularumpi Students visiting, just to name a few.

Go the Swans!

Stuart Kelly
Principal
