In the 5/6 Team we have been speaking about being leaders.

What a busy start to the year!

Our Grade 5/6 class have been choosing our school leaders.

We worked through what it takes to be a leader, the qualities that leaders have and identifying things it takes to be a leader in us.

Then we nominated Grade 6 students who we thought would be great leaders for our school.

Once the nominations finished we wrote speeches to show others why we would be great leaders. Then we voted for our leaders.

The speeches were great, here are some highlights!
