**Kinder**  
We had a great time at the Raptor Centre. We had a close encounter with a falcon, drew talons, skulls, beaks and wings and much more. The rainy weather didn’t stop us thanks to our water proof pants. Massive thank you to our wonderful P&F for supplying our class set of pants.

We have been having weekly tennis lessons which has really helped us to focus as we concentrate to hit the ball and listen to instructions.

We worked with John who shared his artistic skills with us. We created artworks using marbling, pastels & dye and paint blowing techniques.

Our Special Person’s Day was a recent highlight. Children and adults worked together on several activities. These included yoga, a picnic lunch, using wood, cork, glue and nails to create collaborative master pieces and we played with cardboard boxes, ropes, material and cylinders.

**Prep**  
Last Wednesday Prep had a special visit from Miss Burdon’s brother Mr Burdon. Mr Burdon is a music teacher and is also in a band. He showed us some different speakers and what they can do. He played some wonderful music for us on his key-guitar and we made butterflies for a movement activity. We had such a great time, grade one decided to join us as well. Thank you to Mr Burdon for volunteering to come in to visit Prep.

**Grade 1/2**  
The year 1/2 team have been studying 2D and 3D shapes all term. They decided that a theme park was something that they would like to make, probably because they are always talking about the Gold Coast theme parks. The students used various shapes to create rides and attractions at their very own fun park. The students also created chick pea houses using chick peas and toothpicks. A great holiday activity if you want to give it a go.
A big ‘Congratulations’ to the 33 energetic students who represented Sacred Heart at the Catholic Schools Cross Country carnival on Friday. All students performed with great sportsmanship, in a competitive manner that was so pleasing to see.

Congratulations to the following students who were selected to represent our school:

There were lots of fantastic individual and team performances on the day and all of our students should be very proud of their efforts. Special mention to Jack-Ross and Will in Grade 3 who finished 1st and 2nd for their division. Also to Harris Short who finished 4th. A huge thank you to all the parents who were able to support our Cross Country team, everyone involved really valued this.

A final special thank you to Scot McQueen who had the job of toilet duty for the day, no one could have done a better job Scotty!

Miss Shae Longey
