LENT & HOLY WEEK

In recent weeks the focus of our Religious Education Program at our school has been the Season of Lent and more importantly, the opportunities that this important time provides us with. Teachers and students have joined in prayer and Mass celebrations are also planned for this week and next. As a school we have focused on the importance of acts of kindness and generosity and perhaps going without some things that we like.

During the last week, I received a wonderful email from a very proud mother. Her son had come home after being inspired to action from perhaps a class discussion or a prayer liturgy.

“My son has a very generous spirit that is being nurtured and facilitated by Sacred Heart. He just put all his savings into the Caritas box, saying he doesn’t want to save up for a tablet anymore; there are more important things. I thought I’d let you know. I think his generosity is lovely and I’m grateful for the life lessons he learns at the school, so thank you.”

The spirit of Jesus and the simple, but valuable lessons that he taught us are so important and blends so well with our school Catholic ethos that has been so inspired by the Sisters of St Joseph.

“Never see a need without doing something about it”

Very simple, but nonetheless inspiring words that Jesus himself lived by, the Sisters of St Joseph lived by, also and perhaps what has inspired this young boy to go home and donate all his money, that he had been saving up to buy a tablet, to Project Compassion for others in our world that really need our help.

“The Spirit of Jesus is truly alive at Sacred Heart”

SCHOOL FAIR 2014
At our last meeting, the P&F announced that last year’s Twilight Fair and Trailer Raffle together made a profit of almost $18,000!!! This is certainly a record for our school and a strong reflection on the great community support we have here at Sacred Heart.

P&F FUNDING SUPPORT
Members who attended our last meeting approved $20,000 going to our new playground development that will be commencing this year. $10,000 has been set aside for new cupboard doors and equipment in the school canteen and a range of resources for the school that the children will benefit from both within and outside the classroom.

THANK YOU TO OUR P&F COMMITTEE
Our P&F Association is really flourishing at Sacred Heart. Last year every meeting had an attendance of between 12 – 20 parents, which is just fantastic! I would like to both congratulate and thank our hard working committee who give an enormous amount of time, energy and expertise for the benefit of our school and especially our students.

- In particular, I would like to thank our generous and very dedicated President; Mrs Trudy Short. In her first year as President, Trudy has done an amazing job and always leads by example.
- Ms Kate Greaves has done an incredible job managing the P&F finances with many hours of work behind the scenes.
- Mrs Karan Spilling, as Secretary has kept us well-organised with minutes, notices and is always one of the first to volunteer.
- Mrs Fiona Donato & Mrs Maree McQueen did a fantastic job as Fair Coordinators last year.

NEXT P&F MEETING – MONDAY, 30TH MARCH
Our next P&F Meeting will be held at 5.30pm on Monday, 30th March in the Josephite Learning Centre. This meeting will also include our AGM, but also a normal P&F meeting. Last week our school Swimming Team represented Sacred Heart at the Huon and Channel Carnival in Huonville and at the Southern Catholic Schools Carnival at the Hobart Aquatic Centre. We entered a team of 29 energetic and competitive swimmers. All students performed admirably and approached the days with a level of sportsmanship that was so pleasing to see.

**Congratulations to the following students:**
Grade 3: Chloe Steel, Lucy O’Neill, April Burgess, Brianna Lovell, Ben Mitchell, Jacob Phillips, Samuel El-Tahche, Owen Gordon-Smith
Grade 4: MacKenzie Ford, Bridie Pepper, Ava Hickey, Dakota Fraser, Caleb Burgess
Grade 5: Harris Short, Will Tinker, Tim Mitchell, Oscar Thorpe, Lilli Steel, Lucy Cox, Polly O’Neill

There were lots of fantastic individual and team performances from both carnivals and all of our students should be very proud of their efforts. A huge thank you to all the parents who were able to support our swimming team and helped out on the days, everyone involved really valued this. A special mention to Kylie and Liz, our wonderful local swimming instructors, who made the effort to come along and support our students.

**Growth of your child's feet**

From birth to adult, feet go through many changes. A child's foot will double in size by the age of one. They are about half their adult size by 10 months of age. By 12-14 years, the foot is adult size. The bones have fully formed by 18 years of age.

**What should I know about learning to walk?**

Children normally begin to walk between 10 and 18 months of age. When your child begins walking, they may need to wear special shoes to support their feet. Special shoes may also help to reduce the risk of developing flat feet.

**Shoes**

- Shoes should be chosen with the child's comfort in mind.
- Shoes should be wide enough to allow for growth.
- Shoes should be soft and flexible.
- Shoes should be worn on a regular basis.
- Shoes should be well-fitting.

**Are flat feet normal?**

It is normal for young children to have flat feet (i.e., no arches in the foot). Normally, feet are not firm but, if they do not have the correct support, they can cause pain later in life.

**What do I need to know about shoes and socks?**

- As your child grows, it is important to ensure they have enough room for their growing feet by changing the size of their socks and shoes regularly.
